Dataset Name:
UJA international mobility OUTGOING 2024/25

Dataset Description:
This dataset contains an overview of the outgoing students from the University of Jaén (UJA), within the Erasmus+ funding programme, during the academic year 2024/2025.

Authors:
Bienvenida Gilbert López
NEOLAiA office at UJA

Reasons for this dataset:
This dataset provides an insight into the UJA's student international mobility.

Validity and traceability of information, sources, websites:
All information within this dataset was sourced from internal records (e.g.: International Relationships Office) of the University of Jaén.

Dataset limitations:

Number of rows:
289

Number of columns:
27

Columns:

1) Area – thematic area
2) Area ENG – the above field's English equivalent
3) Course of Study – the students' course of study
4) Course of Study ENG – the above field's English equivalent
5) Course of Study type – the course of study type (BSc, MSc, etc.)
6) Course of Study type ENG – the above field's English equivalent
7) Home University – the students' home university, which is always the University of Jaén
8) Home University ENG – the home university's English title
9) Home university geographical coordinates – the coordinates of the students' home university, which is always the University of Jaén
10) Home university country – Spain, as the home university is the University of Jaén
11) Number of male students – male students participating in the mobility programme
12) Number of female students – female students participating in the mobility programme
13) Number of total students – the sum of both above-described fields

14) Host University – the host university
15) Host university geographical coordinates – the coordinates of the host university
16) Host university country – the host university country
17) NEOLAiA university – whether the host university is part of the NEOLAiA alliance
18) ISCED – the ISCED code of the students' programme
19) Number of students with national citizenship – number of students with Spanish citizenship
20) Number of students with EU citizenship – number of students with EU citizenship
21) Number of students with non-EU citizenship – number of students with non-EU citizenship
22) Activity: Exams – the students' exam activity during their stay
23) Activity: Thesis – the students' thesis activity during their stay
24) Activity: Internship – the students' internship activity during their stay
25) Activity: Exams/thesis – the students' exam/thesis activity during their stay
26) Activity: Exams/internship – the students' exam/internship activity during their stay
27) Activity: Thesis/internship – the students' thesis/internship activity during their stay
