

Dataset Name:

UNIBI_incoming_24-25

Dataset Description:

This dataset contains an overview of incoming students within Bielefeld University's student mobility for studies during the academic year 2024/2025.

Authors:

UNIBI International Office

Reasons for this dataset:

This dataset provides an overview of Bielefeld University's incoming student mobility and can be summarised to show, among others, its most frequented partners and courses of studies from an institutional perspective.

Validity and traceability of information, sources, websites:

All information within this dataset was sourced from Bielefeld University's records and documentation systems, primarily from the Mobility Online platform. The institutions' geographical data has been resourced using the recommended search method on Google Maps.

Dataset limitations

Specific information on the type of activity during the mobility for studies is missing due to structural differences in tracking and recording the students' activities between different institutions.

Number of rows:

69

Number of columns:

27

Columns:

- A) Course of study/ Subject area - name of the study programme at the host university (German)
- B) Course of study ENG - name of the study programme at the host university (English)
- C) Course of study type - course of study: Bachelor, Master, Doctorate (German)
- D) Course of study type ENG - course of study: Bachelor, Master, Doctorate (German)
- E) Home University - name of home university
- F) Home university geographical coordinates - geographical coordinates of the home university
- G) Home university country - country of the home university (English)
- H) NEOLAiA University - home university NEOLAiA University Yes/No
- I) Number of male students - number of male students
- J) Number of female students - number female students
- K) Number of total students - number of total students
- L) Host Facility - name of the faculty at the host university (German)
- M) Host Facility ENG - name of the faculty at the host university (English)

- N) Host University - name of the host university (German), i.e. Universität Bielefeld
- O) Host University ENG - name of the host university (English), i.e. Bielefeld University
- P) Host university geographical coordinates - geographical coordinates of the host university
- Q) Host university Country- country of the host university, i.e. Germany
- R) ISCED - International Standard Classification of Education code for the given course of study
- S) Number of students with National citizenship - number of students with national citizenship of host university, i.e. Germany
- T) Number of students with EU citizenship - number of students with EU-citizenship
- U) Number of students with Non-EU citizenship - number of students with Non-EU citizenship
- V) Activity: Exams - N/A
- W) Activity: Thesis - N/A
- X) Activity: internship - N/A
- Y) Activity: Exams/thesis - N/A
- Z) Activity: Exams/internship - N/A
- AA) Activity: Thesis/internship - N/A
