

Dataset Name:

UNIBI_outgoing_24-25

Dataset Description:

This dataset contains an overview over outgoing students within Bielefeld University's student mobility for studies project during the academic year 2024/2025.

Authors:

UNIBI International Office

Reasons for this dataset:

This dataset provides an overview over Bielefeld University's outgoing student mobility and can be summarised to show, among others, its most frequented partners and courses of studies within the mobility.

Validity and traceability of information, sources, websites:

All information within this dataset was sourced from Bielefeld University's records and documentation systems, primarily from the Mobility Online platform. The institutions' geographical data has been resourced using the recommended search method on Google Maps.

Dataset limitations

Specific information on the type of activity during the mobility for studies is missing due to structural differences in tracking and recording the students' activities between different institutions.

Number of rows:

166

Number of columns:

25

Columns:

- A) Course of study - name of the study programme at the home university (German)
- B) Course of study ENG - name of the study programme at the home university (English)
- C) Course of study type - course of study: Bachelor, Master, Doctorate, State Exam (German)
- D) Course of study type ENG - course of study: Bachelor, Master, Doctorate, State Exam (English)
- E) Home University - name of home university (German), i.e. Universität Bielefeld
- F) Home University ENG - name of the host university (English), i.e. Bielefeld University
- G) Home university geographical coordinates - geographical coordinates of the home university
- H) Home university country - country of the home university (English), i.e. Germany
- I) Number of male students - number of male students
- J) Number of female students - number female students
- K) Number of total students - number of total students
- L) Host University - name of the host university
- M) Host university geographical coordinates - geographical coordinates of the host university
- N) Host university Country- country of the host university
- O) NEOLAIa University - host university NEOLAIa University Yes/No
- P) ISCED - International Standard Classification of Education code for the given course of study

- Q) Number of students with National citizenship - number of students with national citizenship of home university, i.e. Germany
- R) Number of students with EU citizenship - number of students with EU-citizenship
- S) Number of students with Non-EU citizenship - number of students with Non-EU citizenship
- T) Activity: Exams - N/A
- U) Activity: Thesis - N/A
- V) Activity: internship - N/A
- W) Activity: Exams/thesis - N/A
- X) Activity: Exams/internship - N/A
- Y) Activity: Thesis/internship - N/A
