

Dataset Name:

SVAKO Outgoing International Mobility Dataset 2024-2025

Dataset Description:

This dataset provides detailed information of outgoing international student exchanges from Šiauliai State University of Applied Sciences during the 2024-2025 academic year. The data includes information about student academic programs, destination institutions and countries, gender distribution, the type of mobility undertaken abroad (semester studies, internships, and Blended Intensive Programmes), and citizenship classifications.

Authors:

SVAKO WP8 Team

Reasons for this dataset:

This dataset was created to promote institutional transparency and facilitate evidence-based analysis of international student mobility patterns. It serves to provide insights into outgoing student flows from Šiauliai State University of Applied Sciences to partner institutions worldwide, supporting strategic planning for international partnerships and contributing to broader research on European student exchange dynamics. The dataset aligns with open science principles and supports comparative analysis across higher education institutions.

Validity and traceability of information, sources, websites:

All data has been gathered from official student mobility records maintained by the International Relations Office of Šiauliai State University of Applied Sciences. The information represents verified administrative data extracted from institutional databases and exchange program documentation.

Dataset limitations:

Certain data fields may contain incomplete information due to administrative processing limitations or data availability constraints at the time of compilation. Some records may have missing details regarding specific academic activities or program components completed during the mobility period.

Number of rows:

29

Number of columns:

25

Columns:

- **Course of study** - Name of the study program (in the original language).
- **Course of study ENG** - English translation of the study program.
- **Course of study type** - Type of study program (e.g., Bakalauras, Bakalauras (BIP)).

- **Course of study type ENG** - English translation of the study program type (e.g., Bachelor, Bachelor (BIP), Bachelor (Internship)).
- **Home University** - Name of the home university (SVAKO).
- **Home University ENG** - English name of the home university (Šiauliai State University of Applied Sciences).
- **Home university geographical coordinates** - Geographic coordinates of SVAKO.
- **Home university country** - Country of the home university (Lithuania).
- **Number of male students** - Number of male students participating in mobility.
- **Number of female students** - Number of female students participating in mobility.
- **Number of total students** - Total number of students participating in the mobility.
- **Host University** - Name of the destination university.
- **Host university geographical coordinates** - Geographic coordinates of the destination university.
- **Host university Country** - Country of the destination university.
- **NEOLAIa University** - Indicates whether the host university is part of the NEOLAIa Alliance.
- **ISCED** - International Standard Classification of Education code for the subject area.
- **Number of students with National citizenship** - Number of students with Lithuanian citizenship.
- **Number of students with EU citizenship** - Number of students with EU citizenship.
- **Number of students with Non-EU citizenship** - Number of students with non-EU citizenship.
- **Activity: Exams** - Students involved in exam activities.
- **Activity: Thesis** - Students involved in thesis work.
- **Activity: Internship** - Students undertaking an internship.
- **Activity: Exams/thesis** - Students engaged in both exams and thesis.
- **Activity: Exams/internship** - Students engaged in both exams and internship.
- **Activity: Thesis/internship** - Students engaged in both thesis and internship.
