

Dataset Name:

USV Incoming International Mobility dataset 2023–2024

Dataset Description:

This dataset contains detailed information on incoming Erasmus+ students hosted by Stefan cel Mare University from Suceava during the academic year 2023–2024. It includes data on students' home universities and countries, gender, study cycle, mobility period, and associated departments within USV. Short-term mobilities carried out under Blended Intensive Programmes (BIP), with a duration of 4–5 days, have been excluded from this dataset. This decision was made to ensure analytical consistency and to more accurately reflect international mobilities with significant institutional impact.

Authors:

WP8 "Stefan cel Mare" University from Suceava (USV) Team.

Reasons for this dataset:

This dataset was developed to promote transparency and support open science initiatives within the framework of NEOLAIa WP8 activities. It offers valuable insights into international student mobility patterns at USV, aiding institutional decision-making, enhancing regional collaboration, and contributing to broader analyses of Erasmus+ mobility trends.

Validity and traceability of information, sources, websites:

The data included in this dataset was collected from the internal records of the USV's International Relations Office. These internal references provide verified and institutionally recognized information, ensuring the accuracy and consistency of the dataset.

Number of rows:

57

Number of columns:

27 columns

Columns:

1. **Course of study/ Subject area:** Name of the study program or subject area (in the original language).
2. **Course of study ENG:** English translation of the study program or subject area.
3. **Course of study type:** Type of study program (e.g., Bachelor's, Master's, PhD) in the original language.
4. **Course of study type ENG:** English translation of the study program type.
5. **Home University:** Name of the student's home university.
6. **Home University geographical coordinates:** Geographic coordinates of the home university.
7. **Home University country:** The country of the student's home university in English.
8. **NEOLAIa University:** Indicates whether the host or home university is part of the NEOLAIa alliance.
9. **Number of male students:** Total number of male participants in the mobility.
10. **Number of female students:** Total number of female participants in the mobility.
11. **Number of total students:** Combined total of male and female students.
12. **Host Facility:** – Host department/faculty at USV (in the original language).
13. **Host Facility ENG:** English translation of the host department/faculty.
14. **Host university:** The institution receiving the student during the mobility.

16. **Host University geographical coordinates:** Latitude and longitude of the host university's location.
17. **Host University country:** Country where the university (home or host) is located.
18. **ISCED:** International Standard Classification of Education code corresponding to the field of study.
19. **Number of students with National citizenship:** Students holding citizenship of the country where the home university is located.
20. **Number of students with EU citizenship:** Students holding citizenship of an EU member state.
21. **Number of students with Non-EU citizenship:** Students from countries outside the EU.
22. **Activity: Exams** - Indicates participation in mobility for the purpose of taking exams.
23. **Activity: Thesis** - Indicates participation in mobility for thesis-related work.
24. **Activity: internship** - Indicates participation in a practical training or internship.
25. **Activity: Exams/thesis** - Indicates participation for the combined purpose of exams and thesis work.
26. **Activity: Exams/internship** - Indicates participation for the combined purpose of exams and internship.
27. **Activity: Thesis/internship** - Indicates participation for the combined purpose of thesis and internship.
