Methodological notes

University of Jaén (UJA) - Timeline

Dataset Name:
UJA Timeline

Dataset Description:
This dataset consists of a table containing detailed information on the university's history, mainly important dates related to the current faculties and schools. The table likewise contains geographical information about the faculties and buildings listed in the dataset and relevant photos. Images within the table contain information on applicable licenses, as well as credits linking back to the author of each photo when available. Images belong to the University of Jaén. The dataset includes links to the web pages of the different faculties and schools, too. Finally, information about the different rectors of the University of Jaén has been also added to the table.

Authors:
Bienvenida Gilbert López, Ph.D.

Reasons for this dataset:
The dataset summarizes information on the university's history and lists important milestones throughout its development. It is a key tool for viewing the above-mentioned information in an organized, chronological format.

Validity and traceability of information, sources, websites:
The information was obtained from different sources, including books related to the history of the University of Jaén, the university's website, and official documents such as laws and annexes establishing the university. Most of the information is in Spanish. The main sources of information are the following:

- Books:
  Sancho Rodríguez M.I. (2013). "La Diputación y los estudios universitarios en Jaén", Boletín del Instituto de Estudios Giennenses, ISSN 0561-3590, number 207, 3, pages 961-1094. URL: https://dialnet.unirioja.es/servlet/articulo?codigo=4417105
  Several authors (2018). "25 años, 25 miradas", Universidad de Jaén. Servicio de Publicaciones. ISBN 978-84-9159-177-1. URL: https://editorial.ujaen.es/libro/25-anos-25-miradas_89055/

- Websites:
  https://www.ujaen.es/en/la-universidad/historia-de-la-universidad-de-jaen

Dataset limitations
Geographical information for the early years of the history of the University of Jaén is not precise in some cases. Some historical images were not available to illustrate all the registered events.

Number of rows:

There are 62 rows in the dataset, with the first one containing column headings.

Number of columns:

There are 9 columns in the dataset.

Columns:

The following section contains a description of the column content. The column description is preceded by the number and title.
